SYDNEY'S ICONS

As Australia's largest city, Sydney is big and bustling, but its distinct precincts and great transport system make it easy and fun to explore. The hub of the city, Circular Quay, is a launch pad for many harbour activities, where cruises and ferries come and go all day long. The famous icons, Sydney Harbour Bridge and Sydney Opera House, as well as restaurants and historic pubs are a short walk away. Fronting the harbour is the waterfront playground of Darling Harbour, home to the Chinese Garden of Friendship, an array of dining venues, Sea Life Sydney Aquarium and Wildlife Sydney Zoo. The city centre is the commercial heart of Sydney and home to some of the best shopping arcades, malls and dining venues, as well as museums and lush green parks.
